

Topic Outline for *Men's Wellbeing*

About the topic:

It is important for men to be mindful of their wellbeing and to support it.

This topic will provide some guidance on those behaviours that men can introduce or strengthen to support their wellbeing.

Adopting positive behaviours to support their wellbeing will assist men create a happy, fulfilling life, both for themselves, and for those around them.

This topic will also discuss the importance of men talking about their wellbeing and seeking support.

What you will learn in this topic:

- What is wellbeing and why it is important for men to maintain in their lives.
- The impact that traditional notions of masculinity can have on men seeking support.
- A framework that can positively support men's wellbeing.
- Why men should access services to support their wellbeing.

Who is this topic for?

This topic is aimed at a male audience; however, it would be useful for anyone who wants to understand how to positively support men's wellbeing.

How can this learning be delivered?

Delivery Method	Standard Duration
Training	90 minutes
Q&A session	60 minutes
